ANTI LITTERING: The Anderson County Early Childhood Center received a \$1,500 environmental education grant. The grant will support the addition of a 40-foot stream to the existing Learning Garden. In the stream, shallow areas will connect two deeper pools, allowing for a diversity of native fish, reptiles, amphibians, insect, and invertebrates. Native vegetation will be planted along the stream bank, and the liner will be covered with pebbles and limestone rocks. During PRIDE the Schools Week in May 2003, parents and teachers will volunteer to aid in the restoration of a nearby, polluted stream. The litter that is collected during this effort will be piled on the Center's property to show to the 2-6 year old students, who will then create signs stressing the importance of keeping the stream clean

2003 County Annual Report Summary

COLLECTION: An updated website offers information on collection services made available to all Henderson County residents. The local newspaper, radio, and TV stations featured stories, articles, and public service announcements pertaining to the changes in the 30 year old green box collection system. The Fiscal Court conducted public hearings and meetings to discuss the new system of garbage collection. A PowerPoint presentation by the County Judge Executive, Sandy Watkins, informed residents of the reasons why green boxes are an ineffective, expensive, and antiquated collection system. Articles also appeared in The Gleaner to inform residents of changes in collection due to holidays.

DIPSOSAL: An updated website details all locations available to the public in Henderson County for recycling and solid waste disposal. The website offers information on disposal of household hazardous waste, bulky items, appliances, and tires.

RECYCLING/REDUCTION: Henderson City and County schools continued conducting the largest and most extensive school recycling program in Kentucky. Each school was provided an outdoor recycling container to collect plastics, newspaper, aluminum cans, steel cans, magazines, and office paper. The school district office, teachers, and staff also participate in the recycling program. A newly updated recycling brochure features drop-off locations, hours of operation, and phone numbers. Curbside recycling continued in the City of Henderson with an estimated 65% participation. Informational commercials on recycling aired on cable programming. Commercials also ran during prime cable programming. Pauline Allen, SWC, also conducted several radio and television interviews to explain to residents what can be recycled and how to prepare materials for recycling. Radio and newspaper advertisements promoted a pesticide recycling program sponsored by the Extension Service.

ANTI-LITTERING: Henderson County sponsored 5 community cleanups. The Henderson Co. Road Dept. provided heavy equipment, dump trucks, and personnel. These events were publicized through the local newspaper and radio. The City of Henderson also sponsored a Community Cleanup event. Pauline Allen, SWC, conducted several radio programs to promote Commonwealth Cleanup Week, Tire Amnesty, Curbside Recycling, and community cleanup events. Pauline Allen also conducted presentations in the local schools to educate students and staff on recycling and solid waste options in Henderson County. Advertisements for the Ohio River Sweep in Henderson were distributed throughout the community.

ANTI-DUMPING: An updated website offers a link to DWM's 1-888-No Dumps hotline to report illegal dumping. The hotline is also appeared in the local newspaper.

ENFORCEMENT: Articles and public service announcements inform residents about illegal dumping, littering, and ordinance violations.

SITING: None reported.

promote CyberCycle Electronics Recycling Program. Participated in statewide PEER 2 electronics recycling organization. Presentations to local businesses on Green Inc. business waste reduction/recycling program; updating Green Inc. educational packet and video. Submitted articles/info to internal Metro-zine magazine & internal Metro intranet to keep Metro employees aware of programs offered. Submitted material to Metro TV on programs/events for broadcast on cable system. Distributed brochures/flyers at recycling center/Haz Bin for residents as they dropped off items. Promoted Christmas Tree-Cycling with tree tags delivered to vendors, press releases, radio/newspaper/TV. Over 3,600 tree-cycled.

ANTI-LITTERING: Steering committee formed from the Waste Mgmt. District & Brightside (Metro's anti-litter agency) to determine best approach to utilize past resources as well as KY Pride Litter Abatement Funds. Three pronged approach centering on public education, enhanced enforcement & actual cleanup activities. Proposed administrative court as means to deal with littering/dumping cases; awaits approval by Metro government. Plans to expand neighborhood volunteer cleanups, additional inmate labor crew to work full-time on litter cleanup; contracting with State Hwy Dept. contractor for additional litter cleanups of interstate highways during off-season. Brightside continues coordination of neighborhood cleanups, conducting school programs on litter, beautification & other environmental issues. Obtained surveillance camera. Brightside Community Education presented 265 classroom presentation/workshops to 7,685 attendees. 840 attendees participated in 7 youth groups/club presentations. There were 10 Community Outreach Presentation for 800 attendees.

ANTI-DUMPING: Promotion via press release, media contact/flyers provided for Metro's Commonwealth Cleanup Week activity in Jefferson Memorial Forest, & the annual Floyds Fork Creek Sweep in June. Ohio River Sweep postponed and ultimately cancelled due to dangerously high water. Anti-dumping element included in conjunction with anti-litter campaign; use of surveillance camera will be instrumental in identifying & prosecuting dumpers/litterers.

ENFORCEMENT: Enhanced enforcement will be a large part of the new anti-litter campaign, and has been the subject of a special sub-committee of the Anti-Litter

RECYCLING/REDUCTION: Trash sculpture contests were held at all Livingston county schools. The UK Cooperative Extension office also conducted a program with the Livingston County schools and homemakers encouraging recycling.

ANTI-DUMPING: In an effort to control illegal dumping by residents, Livingston county sponsors two county road cleanups per year. The spring cleanup was held April 24-26. The fall cleanup was held October 16-18. During these cleanups dates, dumpsters are placed in communities throughout the county for residents to dispose of trash free of charge. Residents are also allowed to dispose of trash at the Convenience Center free of charge during these dates. The Livingston county Road dept also picks up large items (washers, dryers, stoves, refrigerators, water heater, furniture items, etc.) at residences if the items are placed at the end of driveways.

ANTI-LITTERING: Judge Executive Chris Lasher sent letters from the Fiscal Court to organizations expressing gratitude for efforts they made to pickup litter along roadsides in Livingston county.

COLLECTION: SAR conducted 320 hrs. of classroom time on participating in collection programs.

DISPOSAL: SAR conducted 329 hrs. of classroom time on disposal activities including waste reduction, recycling education and recycling projects.

RECYCLING/REDUCTION: During classroom discussions, SAR discussed recycling education and projects. Fourth and fifth grade students participated in an environmental day camp emphasizing recycling and a clean environment. The environmental day camp was taught by 60 high school students from Morgan Co. High School, Earth and Space Science classes.

ANTI-LITTERING: SAR conducted 260 hours of anti-littering activates in county classrooms and private schools, consisting of roadside litter, reduction and elimination. Local students conducted a survey of litter in and around schools and communities. Students completed pledges and commitments to not litter on roadsides.

ANTI-DUMPING: SAR conducted 345 classroom hours to anti-dumping and information about environmental impacts of illegal dumps. Students were educated about health issues and concerns associated with pollution. Students conducted a survey of illegal dumps and took the survey home for family members to contribute to and discuss. The students discussed options to help clean up their communities.

ENFORCEMENT: During classroom discussions, SAR discussed the enforcement and penalties relating to illegal dumping and littering on roadways.

Educational Activity:

COLLECTION: 120 hours of classroom time dedicated to participating in collection program. Classroom curriculum consisted of teaching manuals, competitive games, videos, information booklets, puzzles, and surveys.

DISPOSAL: 129 hours of classroom time devoted to disposal activities including waste reduction, recycling education and projects. Solid Conservation District sponsored program for farm community to exclude livestock from streams and a program in spring development. They also sponsored essay and poster contests in the schools concerning the environment. An Owsley County student place 2nd in state competition.

RECYCLING/REDUCTION: SAR conducts educational programs for elementary, middle and high schools.

ANTI-LITTERING: Soil Conservation Service sponsored a day long canoe trip along the KY River (South Fork). Purpose was to show how much trash gets into o is thrown on the river banks. 300 hours of anti-littering activities were conducted in all county classrooms and private schools, consisting of roadside litter, reduction and elimination as well as fines and penalties associated with litter. Also, students conducted surveys of litter in and around schools and communities. Students also completed pledges and commitments to not litter on roadsides.

ANTI-DUMPING: 100 classroom hours were devoted to anti-dumping and information about environmental impacts of illegal open dumping. Students were educated about health issues and concerns associated with pollution, as well as penalties associated with open dumping. These students also completed surveys of illegal dumps and took the survey home for family members to contribute to and discuss. Students discussed options to help clean up their communities. All SAR activities were coordinated to address Standard for Studies and Core Content for teacher assessment.

ENFORCEMENT: Owsley County Fiscal Court had a series of public meetings throughout the county concerning the creation of an Administrative Court for enforcement. Administrative Court was passed by the Fiscal Court on August 13, 2003.

drop-off locations, hours of operation, and materials collected. The SWC, Pauline Allen, conducted presentations in the schools to educate students and staff about recycling and solid waste options in Union County. Each school received brochures and pencils made from recycled denim. The Union County Extension Office conducted a farm pesticide recycling program.

ANTI-LITTERING: Union County sponsored Community Cleanups in Uniontown, Whispering Meadows, and the community of Sullivan. These events were publicized through the local newspapers and flyers. The cities of Uniontown, Sturgis, and Morganfield also conducted cleanup events in the spring and fall. Commonwealth Cleanup Week and Tire Collection program was promoted in the local newspapers and in radio announcements.

ANTI-DUMPING: Brochures have information on how to report illegal dumping. A newly updated website offers information on illegal dumping and provides a link to the Division of Waste Management. Residents are encouraged to use the 1-888-No-Dumps Hotline to report illegal dumping. The hotline is published in the local newspaper.

ENFORCEMENT: Recycling and Solid Waste Coordinator, Pauline Allen, conducted several radio and television interviews to explain to residents why illegal dumping harms the environment and what additional enforcement Union County is going to take to prevent illegal dumping.

COLLECTION: Website and brochures offer information on collection services in Webster County.

DISPOSAL: A newly updated website offers information on all locations available to the public for recycling and solid waste disposal. An educational campaign to promote the state sponsored Tire Amnesty program included radio spots, TV news stories, promotional flyers, and newspaper articles.

RECYCLING/REDUCTION: Webster City and County schools continued a successful recycling program. Each school was provided a large outdoor recycling container for plastics, newspaper, aluminum cans, steel cans, magazines, and office paper. Brochures are distributed throughout the community to provide information on recycling, items accepted, drop-off locations, and hours of operation. Pauline Allen, SWC, conducted presentations in the schools to educated students and staff about recycling and solid waste options in Webster County. The Extension Service promoted and advertised recycling of pesticide containers.

ANTI-LITTERING: Webster County sponsored the Blackford Community Cleanup which involved tire, appliance, bulky item collection, and litter cleanup. These events were publicized through the local newspaper and flyers. The City of Sebree and Providence also conducted a community cleanup. Pauline Allen, SWC, conducted several radio interviews to promote Commonwealth Cleanup Week and the Tire Amnesty program.
